Sub: Intimation under Regulation 30 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015-COVID 19 Update

This is in continuation to our letter dated May 01, 2020, intimating about resumption of partial operations of the company at various locations after obtaining the prior permission from concerned district and other Government authorities.

In this regard, we would like to further inform you that the company has now started the following operations:-

i) One 3D Seismic and one Exploratory Drilling project in Rajasthan

ii) One 2D Seismic and three Exploratory Drilling projects in Orissa

iii) One Exploratory Drilling Project in Jharkhand

Also, the company has successfully completed one Exploratory drilling project in Karnataka recently.

Besides above, the company is running its' exploratory drilling project in Oman through a JV successfully. Company is also in the process of starting other operations after taking due permissions and mobilizing equipments and manpower. Needless to mention mobilizing equipments and manpower and to sustain them continuously is a big challenge in present day scenario yet, we are trying our best to overcome such challenges and trying to run our operations as smoothly as possible.
