

HEALTH, SAFETY AND ENVIRONMENT (HSE) POLICY

South West Pinnacle Exploration Ltd. is committed to protect the health and safety of everyone involved in its operations, and the sustainability of the environment in which it operates. We shall strive for continual improvement and the adoption of international codes and standards where practicable.

In order to honour the aforesaid commitments, SWPE will implement the systems in its operations that accord with the requirements of health, safety and environmental standards and strive to:

- Ensure that all our operations comply with applicable with health, safety and environmental laws and regulations,
- Establish & Maintained good standard & codes for the safety of people, the process & the assets at all level,
- Identify hazards, assess the risks and implement appropriate controls to protect all personnel involved in our activities and to prevent environmental pollution,
- Set objectives and targets for improving health, safety and environmental performance, monitor and report openly on its performance,
- Provide health, safety and environmental training to all SWPE employees in India and abroad and actively promote awareness of health, safety and environmental issues across the organization,
- Ensure that **contractors, service providers and consultants** are aware of SWPE's policies and standard and where necessary, work with them to raise their standards to meet our requirements,
- Foster a culture where accidents, incidents and near misses are promptly reported and investigated and the lesson learned are shared throughout the organization,
- Ensure that high priority is placed on emergency preparedness and contingency planning, and regular testing of systems, so that all incidents are responded to in a timely and effective manner,
- Monitor our performance and conduct regular reviews to ensure our policies and controls are effective and that our health, safety and environmental aspirations are being achieved,
- Work with government and regulatory bodies in the formulation / improvement of laws, polices, regulations and procedures aimed at protecting health, safety and environment,
- Integrate HSE into business planning and provide adequate resources.
- Coring, Drilling, Exploration & Production maintain all facility, Processes & Procedure to secure sustained Health, Safety & Environment Protection.

Each and every employee, contractor, service provider and consultant of South West Pinnacle Exploration Ltd. in India and abroad is obliged to comply with these principles.
